

Retrieve pensionsinfo via e-banking.

Guidelines

1.

Be aware that you need to log on to the Danish version of eBanking, as the tab Pension & forsikring isn't available in the English version of eBanking.

Log on to Danske Netbank (Danske eBanking), using MitID. On the top menu, you can choose from the following tabs: Forside, Betal og overfør, Konti, Kort og Valuta, Lån, Investering, Pension & forsikring, e-Boks, udskrifter & aftaler og mobile tjenester.

Choose Pension & Forsikring. Under Pension & Forsikring you can choose from the following menu options: Alle dine pensioner, Danica Pension, Danica Balance, Danica Link, Forsikring, Mobile tjenester og Om pension og forsikring.

Choose Pensionsinfo, which is the only menu option below Alle dine pensioner.

2.

Choose, start pensionsinfo.

3.

Pensionsinfo will collect data. Once the collection is complete, click the button at the bottom, which says: Continue.

## Retrieve pensionsinfo via e-banking.

### Guidelines

#### 4.

At the bottom of this screen, there are three boxes:  
Get your information as a PDF, Send your pension info to Danske Bank and Compare pension info for two people to get an overview of the total finances.

Click the button in the middle, called Send information, under the text Send your Pensionsinfo to Danske Bank.

#### 5.

State your phone number and e-mail address, then choose send my data.

Har du ikke en aftale om personlig rådgivning i Danske Bank og ønsker du at blive kontaklet af Danske Bank, skal du udfylde dine kontaktoplysninger i felterne herunder:
