

The cost of arranged overdrafts – today and from 1 April

Here are a few scenarios comparing the cost of an arranged overdraft on our accounts, now and after the April changes take effect. From 1 April 2020, our online overdraft calculator will be updated to allow you to see how much an arranged overdraft will cost you going forward.

Remember there are no changes to overdraft charges on our Danske Freedom account.

Accounts Currently on sale – correct as at 20 March 2020
