Tryg Forsikring A/S is the insurance provider and is a member of the Danish Guarantee Fund for Non-Life Insurance Companies. The Guarantee Fund covers consumer insurance claims for customers residing in Denmark if the insurance company enters into liquidation.

In whose interest do we act?

When we arrange insurance for Mastercard cardholders, we do so on behalf of Tryg Forsikring A/S, and we have entered into an agreement with them to arrange insurance provided exclusively by them. We do not, directly or indirectly, hold 10% or more of the voting rights or the share capital of Tryg Forsikring A/S, nor does Tryg Forsikring A/S or its parent company hold such share of the voting rights or the share capital of Danske Bank A/S.

Who provides advice on insurance?

Tryg Forsikring A/S provides advice on the Mastercard insurance benefits offered at any time. We provide advice solely about Mastercard cards and Danske Bank's other products and services, not about insurance.

Do we receive payment for arranging insurance for Mastercard cardholders?

We do not receive any payment from Tryg Forsikring A/S for arranging insurance for Mastercard cardholders, whether in the form of a fee, commission, other compensation or financial benefit or a combination thereof. However, since we are the policyholder and therefore take out the insurance with Tryg Forsikring A/S, we may receive a customer bonus payment from TryghedsGruppen.

Group insurance

The insurance is offered as a group insurance policy for Mastercards issued by Danske Bank. Because it is a group insurance policy, Danske Bank is the policyholder, and you are the insured. As opposed to an individual insurance policy, a group insurance policy is a collective insurance policy that offers the same cover for all customers who have the insurance in question linked to their Mastercard issued by Danske Bank.
